

# Buy a brick, support the Library!

## We need your help to renovate the Children's Library!

From 2002 – 2004, Menomonee Falls Public Library offered the gift brick program to raise funds for the new library building. We are once again offering customized paver bricks for purchase in order to raise funds.

Hundreds of people see these bricks every day when they enter the Library. Purchasing a brick is the perfect way to honor a teacher, friend, or family member. It is also a meaningful way to help the Library with a legacy all your own.

**Cost: \$60 per brick**

Bricks are 4"x8" and may have up to 3 lines of text / 14 characters per line. They may also include symbols (see back for available symbols).

## How to Order
