

OCEANS OF POSSIBILITIES

June 13 - August 13

1. Register online at **MenomoneeFallsLibrary.beanstack.org**.
2. Read for 800 minutes. Each piece of the circle equals 20 minutes of reading. Remember: all reading counts! Keep track of the time you spend reading independently, as well as the time you spend listening to others read to you, and fill in the spaces as you read.
3. Log your reading, activities, and reviews online to earn prizes and tickets for our prize drawings.

If needed, you can bring this log to the Library and we can record your reading minutes for you.

Keep Going! The more you read, the more tickets you will earn!
