A visit to the Menomonee Falls Public Library

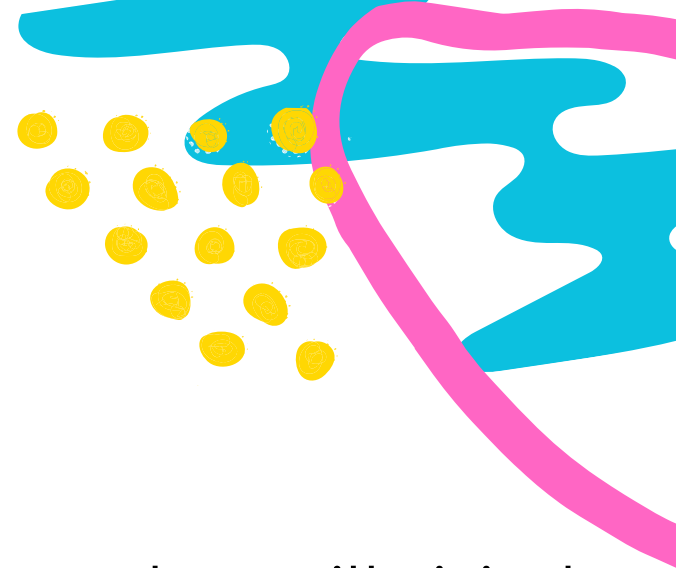

The purpose of this book is to help
prepare children for a visit to the
Menomonee Falls Public Library.

Reading this book before your visit to the
Library will help children gain a visual
familiarity with the Library so that they
can feel comfortable during their visit.

Welcome to the Menomonee Falls Public
Library

We hope to see you soon!

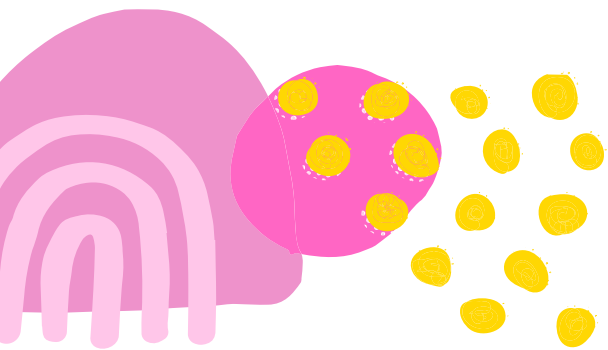

Today I will visit the
Library.
It is the Menomonee
Falls Public Library.
I can go to the
Library to check out
books and other
materials.

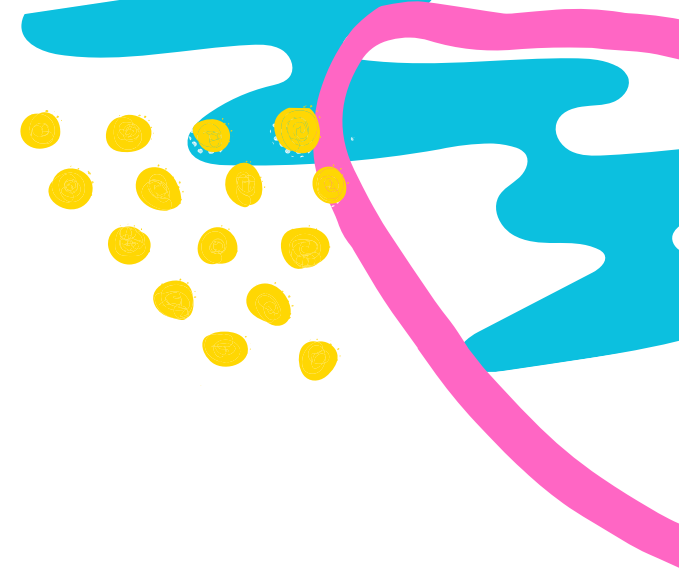

Entrance

We park the car in the parking lot and walk inside. When I walk into the Library, the doors open automatically.

Lobby

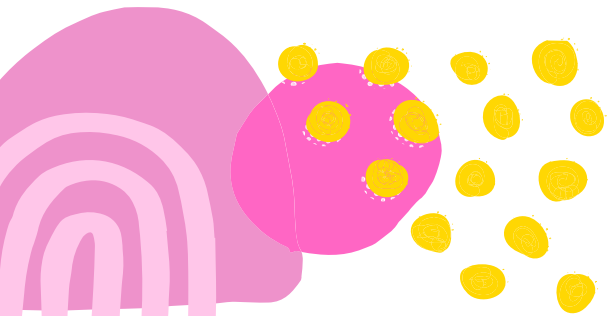

When I enter the Library, I walk through the lobby to get to the Children's Department.

Children's Department

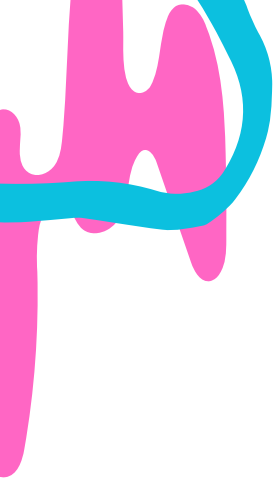

There are many books in my Library. The books are nice and neat. My Library has rules. I will walk in the Library and use my inside voice. I will stay with my family.

Librarian

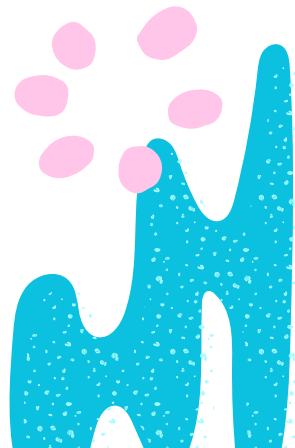

This is the librarian. The librarian is very helpful. I can ask the librarian to help me find a book. The librarian will answer my questions.

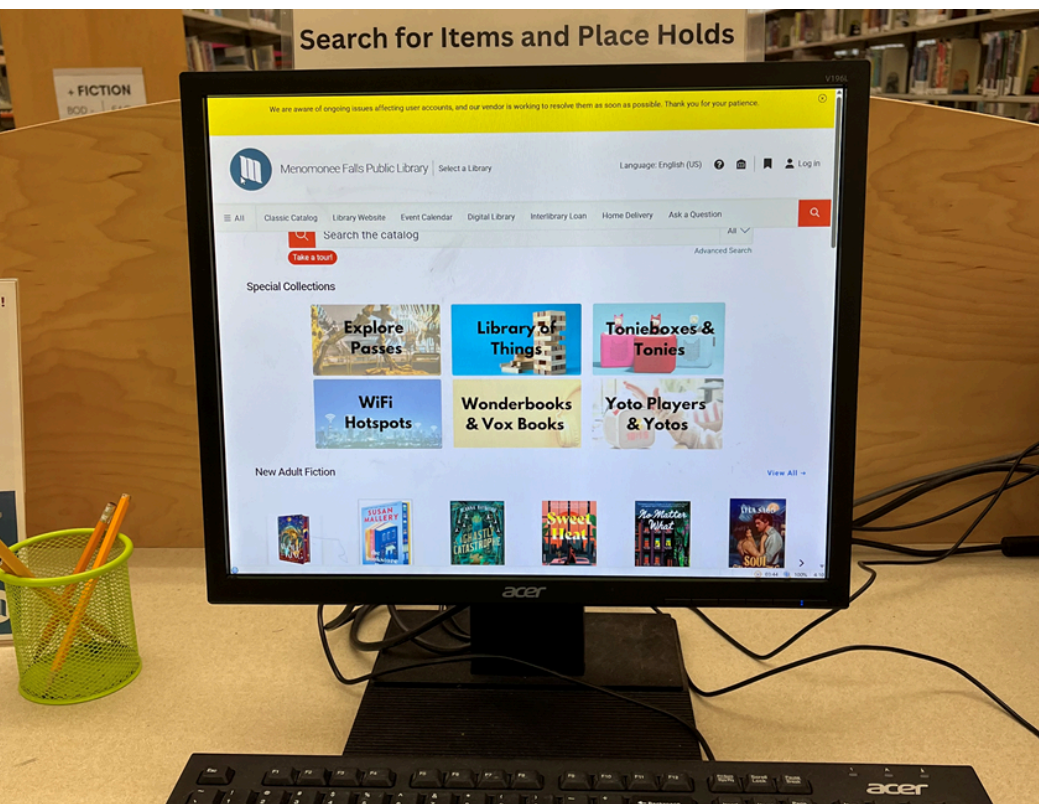

Light Table

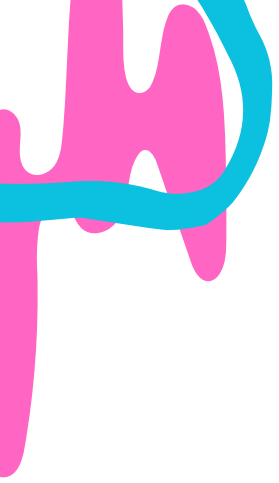

My Library has a light table. I can play with toys on the light table.

Computers

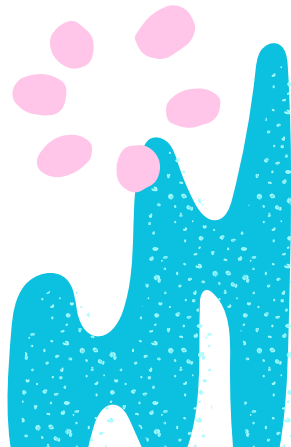

My Library has computers. I can use some computers to find books. I can play games on other computers.

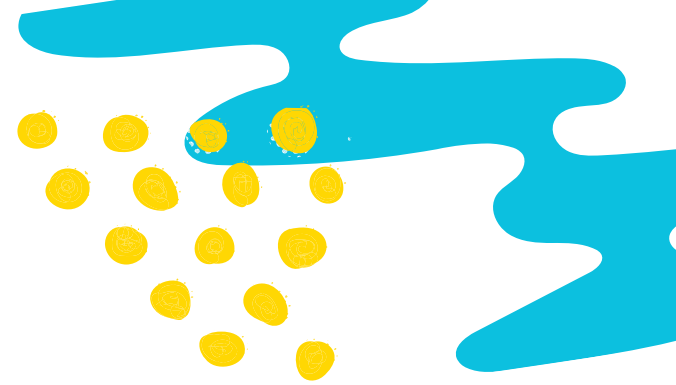

Play Area

I can play with toys at the Library. When I am finished playing with the toys, I put them away neatly.

Bathroom

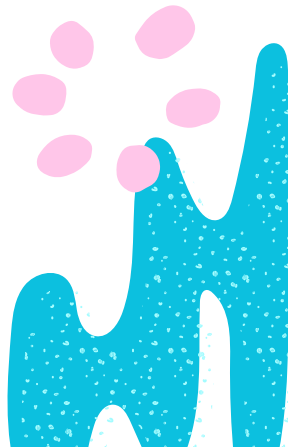

The lights go on automatically when I go into the bathroom. When I flush the toilet, it is loud. I wash my hands before I leave the bathroom.

Forge Jr.

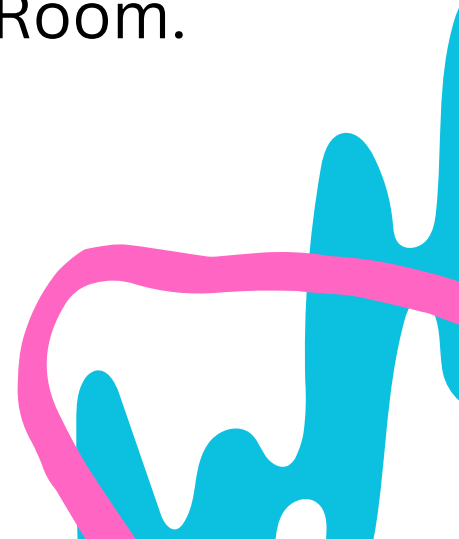

I can use art supplies from the art cart or play with Keva Planks, STEM kits, or MAGNA-TILES. I clean up when I am finished.

Tween Room

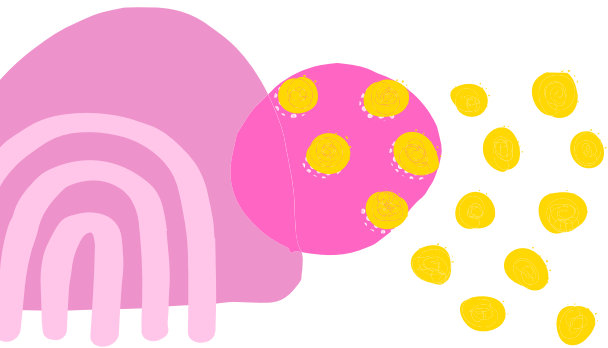

The Tween Room is for kids ages 10–12. When I am a tween, I can play a game, use the Nintendo Switch, or read a book in the Tween Room.

Quiet Room

I can go to the Quiet Room when I am feeling overwhelmed and need a break. There are some toys and a comfy chair in this room that I can use.

Patio

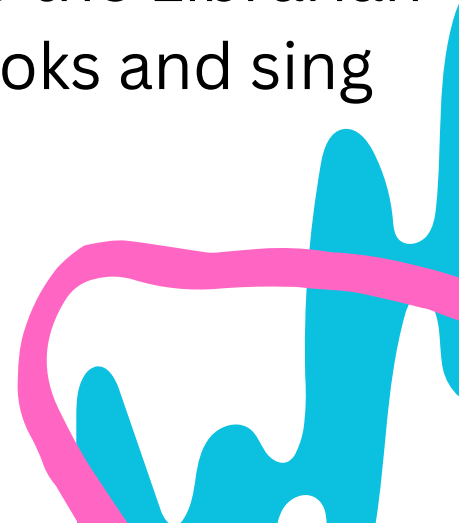

When the weather is nice I can sit on the patio and read a book.

Storytime Room

This is the storytime room at my Library. When I come to storytime, I will pick a cushion and find a place to sit. I will listen to the Librarian read books and sing songs.

Second Floor

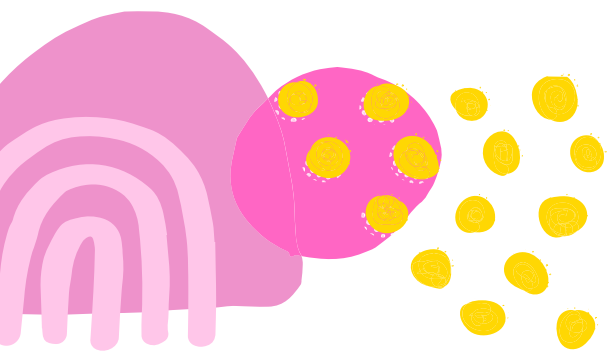

At my Library the books for grown-ups and teenagers are upstairs. I can use the stairs or the elevator to go to the second floor.

Circulation Desk

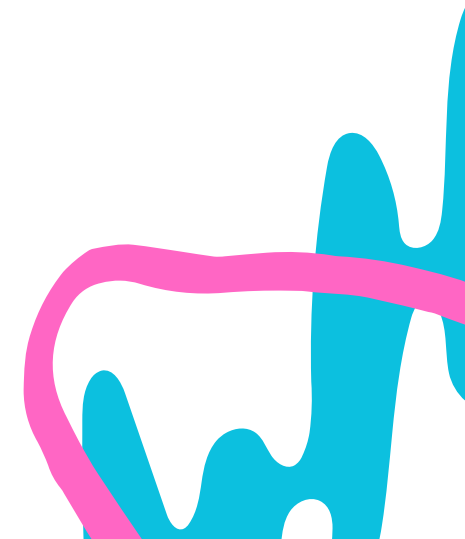

When I am ready to leave the Library, I bring my books to the Circulation Desk. Every time the Library worker checks out a book I hear a beeping sound.

Book Return

When it is time to return my books, I slide them slowly into the book drop.

It is time to go home. I will come back to the Library when it is time to return the items I checked out. I hope to visit my Library again soon. Bye!
